Short Description of IPSE Programme : In the project, 5 people with experience of disability/exclusion have been learning and teaching since 2019 at the University of Leipzig. They bring their expertise into the university context as teachers/researchers in the form of various events and work on a different topics from the exclusion-inclusion spectrum. In this way, they contribute to a necessary

sensitivity to reflection in professional action and provide a contribution to a new, inclusive form of academic knowledge (re)production.
